Dear Mr. Weinberg:- Thank you for answering my request so promptly. My hat is off to the P.O. - the town & postal was Hydestown - how did they guess where to deliver.

Enclosed please find my check for $5.05 a small price to pay for your report of a subject that has disturbed so many. How did you ever find time to do all this research with so much evidence destroyed or buried. I know I should find many answers as I read your book - right now I can only marvel. I am ninety six years old and have always enjoyed Coast stories - on the day - evening I should pay - when you appeared on T.V. -

I was furious at the fucking by the inept-nose would-be attorneys. It proved one old saying for stupid people "open your mouth and you'll show your ignorance." How Cocky the very young are.

I've read only the first page and agree with the fellow that it will be deservedly a best seller. Also, I am sure, that one day public opinion and indignation will re-open the case that handicapped the entire nation regardless of our political opinions.

May God watch over you and protect you —

Sincerely

Mrs. L. Everett
